GENERAL INSTRUCTIONS

This form is to be used as evidence of the date a permanent pump was installed in a well that was permitted in accordance with Section 37-90-137, C.R.S. This form should only be used if a pump installation report is not available from the pump installer, or other evidence of pump installation, such as a dated invoice from a pump installer cannot be provided.

The Well Permit Number and permit issuance date are required. If you do not know your well permit number or issuance date, you can locate this information by using the well permit search tool found on the Division of Water Resources' website at:

<https://dnrweb.state.co.us/cdss/WellPermits>

For additional assistance, please contact the DWR Records Section at 303-866-3581 or Ground Water Information Desk at 303-866-3587.

The individual signing this form or entering their name (and title if applicable) must be the well owner or an officer of the corporation/company/agency identified as the well owner, or their attorney. An authorized agent may also sign or enter their name on behalf of the well owner if a letter signed by the well owner, or their attorney, is submitted with this form authorizing that agent to sign or enter their name on the well owner's behalf.

Please allow 4 to 6 weeks for processing this form. Thereafter, you can view or print the document using the well permit search tool found on the DWR website at:

<https://dnrweb.state.co.us/cdss/WellPermits>

A copy of this form will not be mailed or emailed to you.

If you have questions, contact the Denver Office or the Division Office where the well is located. Contact information is available from the DWR website at:
