

Water District Non-Opposition Consent Form

Water District: _____

General Manager: _____

RE: Well permit application receipt no. _____

We have received a water well permit application from the following person(s):

Applicant Name: _____

Address: _____

City: _____ **State:** _____ **ZIP:** _____

The proposed well would be located in the _____¹/₄ _____¹/₄ **Section** _____,
Township _____ **(Check one), (North)** **or (South)** **Range** _____ **West, 6th PM.**

The proposed well is located within a municipal water supply service area. This will preclude this office from granting a well permit unless the municipality or designated water supplier provides authorization to this office to the effect they release the specified groundwater applicant from any municipal ordinances or subdivision covenants that require them to be the sole-source water provider. Once this has been established the State Engineer may consider the request for a well permit. If the district does not oppose the installation of the proposed well in the _____ aquifer, please sign and return this form to this office. Thank you.
